

# Newsletter December 2016

Vetnostics |  QML Pathology

## Season's Greetings from QML Vetnostics

The pathologists and staff at QML Pathology Vetnostics wish you a joyous festive season, filled with peace and good health.

## Visit Our Website: [vetqml.com.au](http://vetqml.com.au)

The website is an excellent source of information regarding;

- test requirements
- contact details
- supply/stores orders and other forms,
- previous newsletters and much more.

Please take some time to browse the website and provide any feedback you may wish to give regarding other materials/content you would like to have added to the website.

## 1300 VET QML

Please **ONLY** call your local courier/laboratory number to request sample collections or urgent stores/supplies.

For all other enquiries, please call 1300 VET QML.

## Clinic Details and Reporting Options

Please complete **Page 2 of this newsletter** and submit the information to ensure that we have your current clinic details, and preferred methods for reporting of results. If you have not already done so, we would also recommend that you setup for Medway online result delivery (including via Smart Phone App), by following the link from our website.

1300 VET QML (1300 838 765)
